Dear Applicant:

Your new Medical Marijuana Registry ID card is attached. It is valid for one year.

Please verify the information on your card is complete and accurate. Contact our office within 30 days to correct any errors. Do not laminate, change or write on the card, as these actions void the card.

Report lost, stolen, damaged cards, or changes of name, address, caregiver to the Registry within 10 days.

Every year, you must submit a new application to remain active on the Registry. We recommend you submit your application 45 to 60 days before your current card's expiration date. Do not send your renewal application to us more than 60 days before the expiration date.

Visit www.colorado.gov/cdphe/medicalmarijuana for more program details, to access forms, and to register for electronic notices of regulatory activity and policy changes. For questions and concerns contact us at medical.marijuana@state.co.us or 303-692-2184.

Sincerely,

The Medical Marijuana Registry
